"Choosing extracts from different plays tests our abilities and will show the audience we can play more than one role" - Emma Drama student.

The project began by building confidence, raising self-esteem, team working and exploring identity through a combination of team games, improvisation, scriptwriting, music and dance.

Now at the end of the project we have a fantastic production with a group of talented young people who are bursting to be on stage to show you their creative talents.

**NOT TO BE MISSED !**
